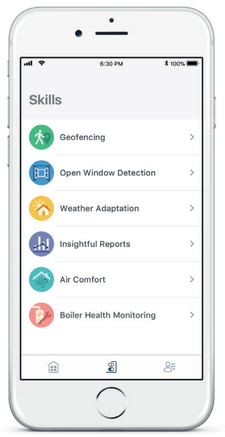
DESIGN AWARD 2014



EN **Your heating in your hand**

Control your heating from anywhere with the tado° app on your phone. Make your life easier – let the tado° Climate Assistant take care of your comfort and savings.

Climate Assistant Skills

- **Geofencing** helps you save energy when nobody is home.
- **Open Window Detection** notices an open window to prevent unnecessary heating.
- **Weather Adaptation** integrates weather information to assist in reducing your energy bill.
- **Insightful Reports** display temperature and humidity profiles, heating activity and energy savings.
- **Air Comfort** helps you keep a healthy climate at home.
- **Boiler Health Monitoring** keeps you covered, notifying you when your boiler requires a technician.
